

- Educational support
- Life skills
- Therapeutic groups
- Opportunities for fun and play
- Nutritious meals

- Parent education
- Emotional support
- Life skills such as budgeting

"We long for a world where every child has a hope and a future"

of all children in low- and middle-income countries cannot read a short story upon completion of primary school

increase since COVID-19

INTERNSHIP EXPERIENCES

STORYTELLING

- Created a Virtual Tour of myself and my town to present to the students; Presented video + lesson plans, with actionable steps for the students to create their own
- Devised a strategic posting campaign on social platforms to increase engagement and tell the story of iKhaya
- Created and built LinkedIn Page to attract volunteers and sponsors

CAREER DEVELOPMENT

- Conceptualized "Cape Town Coffee Chat Leader Series"
- Objectives: Speakers provide inspiring and informative discussions for the children around music, finance, mind/body relation, healthy eating, farming

FOSTERING A GLOBAL PERSPECTIVE

- Created program called "Virtual Video Pals."
- Partnership with elementary and high school in Boulder, CO
- Paired with a "pen pal" to correspond through letter-writing and Zoom
- Objectives: Increase global awareness, social skills, and encouragement in the knowledge that they have a friend abroad

KEY TAKEAWAY

From this experience, I learned the power of storytelling as a means to connect diverse communities and empower young people towards promising futures.
