

# THE IMPORTANCE OF INVESTING IN WOMEN

## VITAL VOICES

Vital Voices Global Partnership is a non-profit that invests in women who are taking on the world's greatest challenges.

This summer, my work focused on amplifying women leaders as they tackle climate change, human rights issues, political disempowerment and economic inequities.

**3,000,000**  
PEOPLE  
IMPACTED

**20,000**  
NETWORK  
LEADERS

**184**  
COUNTRIES
