people in 50 countries engaged in virtual dialogues on tackling vaccine misinformation.

KEY PROJECTS

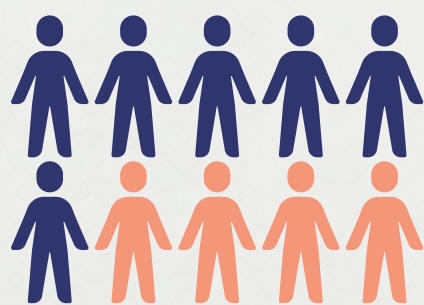

COVID 19 Listening & Learning Series

Bright Spots & Boost Sparks

Behavioral Science Immunization Network

Web Accessibility (WCAG 2.0)

CONCLUSION

I would like to thank Kenan Scholars for supporting my continuation and stipend. I am grateful for the opportunity to continue to work for Sabin and fight vaccine hesitancy. My executive proposal for vaccine acceptance can be read at <https://bit.ly/3CKHmGk>
